

Ultrasound Assistance

Where seeing is believing!

Specializing in Limited OB Ultrasound Training

Ultrasound Assistance Has over 18 years of experience in Ultrasound training. Let us help your nurses become certified in Limited OB Ultrasound.

Designed by experienced Ultrasound Sonographers to meet the educational needs of nurses who desire to obtain training in Ultrasound technology.

Training in your center, with your equipment, with your staff.

Meeting the needs of your clientele.

Training that meets the highest standards of education.

Training that helps limit your liability.

Training you can trust.

Courses

- Certification in 1st and 2nd trimester Limited OB Ultrasound.
- Master new technologies and skills: such as 3D / 4D.
- Enhance and refresh your scanning skills, through a tailored course that fits the needs of your staff and center.
- Yearly competency and evaluation.

Upon successful completion, trainees will scan independently and confidently.

This course follows the guidelines set by the American Institute of Ultrasound in Medicine (AIUM) for the performance of a Limited Obstetrical Ultrasound (see AIUM Practice Guidelines for the Performance of a early OB Ultrasound exam .
